Sagemax experience

My first impression of the new NexxZr⁺ Multi 2.0

Natural translucency and lifelike esthetics.

Beautiful color setting and good match to the shade guide.

My conclusion on the new NexxZr+ Multi 2.0

The new 2.0 is a real improvement on its predecessor. The esthetics and color accuracy really impressed me. Now it is also available in 16 A-D and 4 Bleach colors - simply great. A clear recommendation to my colleagues!
